## CONTRACT RESEARCH ORGANIZATIONS

### Care Research, LLC

CARE Research, LLC is a preclinical contract research organization (CRO) serving the biomedical research, pharmaceutical, device and drug development industries. We provide excellent quality in vivo laboratory services (GLP and non-GLP), over a wide variety of species, from rodents to ruminants. Our facilities provide the best possible living environment for research animals. We conduct our research in a manner that emphasizes patient quality of life. Our facilities are fully compliant with FDA, EPA, USDA and OLAW regulatory requirements. Our goal is to provide excellent-quality and customer-oriented in vivo laboratory services in the biomedical research and device industry at competitive prices.

### CPC Clinical Research

Founded in 1989 by the University of Colorado, CPC Clinical Research is an academically led, non-profit, clinical research organization offering Phase 1 - 4 clinical research leadership and management services to sponsors around the world. CPC specializes in innovative research including a proprietary program, the Endpoint Quality Intervention Program (EQuIP) that helps reduce variability in the collection of endpoint data, allowing more definitive answers to the study objectives. Contact Marilyn Greenwalt at [Marilyn.Greenwalt@cpcmed.org](mailto:Marilyn.Greenwalt@cpcmed.org) or 303-860-9900 or visit our website at [www.cpcmed.org](http://www.cpcmed.org).

---

## FACILITIES CONSULTING

### Kazoku Management Group, LLC

Kazoku Management Group LLC provides Facility management, daily operations, project management, and EH&S. Specializing in laboratory facilities, Kazoku accurately monitors critical systems, maintains, and troubleshoots systems and equipment vital to your operations. We offer many other services to fit your laboratory needs:

- Tenant improvements, maintenance services
- Laboratory equipment calibrations and repair
- Laboratory equipment installation and relocation
- Laboratory consulting, design and build

For more information, contact Keith Yoshida at 303-888-4119.

---

## FINANCIAL MANAGEMENT

### Citywide Banks

Denver's growing businesses have relied on Citywide Banks for financial advice and guidance since 1963. Citywide specializes in providing consultative service, flexible credit and advanced cash management services to small and mid-sized businesses of all kinds including medical, industrial, technology and healthcare service companies. Learn more about Citywide at [www.citywidebanks.com](http://www.citywidebanks.com). For immediate assistance call Tom Flanagan at 303-365-3610. Member FDIC.

### FirstBank

FirstBank is proud to be a Fitzsimons Redevelopment Authority service provider. FirstBank believes in investing in our local communities, ensuring that our communities continue to thrive. We owe our success to the core values we have held since we were founded in 1963. Ever since, we have maintained a strong commitment to convenience, friendly and intelligent customer service, and loyalty to our employees. FirstBank now has over \$15 billion in assets and over 120 locations in Colorado, Arizona, and California. For more information, please contact Josh Thompson at 303-454-5383 or [Joshua.Thompson@firstbank.com](mailto:Joshua.Thompson@firstbank.com).

---

## INSURANCE

### Moody Insurance Agency

Moody Insurance Agency has been in existence since 1973. We handle all lines of insurance: property, liability, health insurance, etc., for our commercial clients and we handle the personal insurance needs of many of our customers as well. We work with many Life Science companies in assembling the insurance program that "fits" their needs, wants and requirements as well as create solutions to meet the industry's needs. We are known for our work in addressing Human Clinical Trials and Directors & Officers Liability Insurance, but we do all lines for the Life Science Industry. For more information, please email Mike Schwander at

[mike.schwander@moodyins.com](mailto:mike.schwander@moodyins.com) or call 303-917-6769.

---

## LAB EQUIPMENT, FURNITURE AND SUPPLIES

### National Jewish Health

National Jewish Health Mouse Genetics Core will help you design your construct of interest, whether or not it's used to make a genetically modified mouse. They have performed services such as construct design and synthesis, CRISPR/Cas9 design and generation of constructs, point mutagenesis, mouse rederivation, pronuclear injection to generate transgenic mice and breeding of mice. For more information and price lists contact Jennifer Matsuda at 303-398-2657.

### Webster Associates

Webster Associates is a stocking distributor incorporated in 1983. We specialize in supplying filtration, high purity compressed air, high purity water, UHP gas, and instrumentation products for the laboratory market. Our focus is customer satisfaction through the introduction of new technologies, process improvements, on time deliveries and competitive pricing. Go to [webster-associates.net](http://webster-associates.net) for more information.

### Rocky Mountain Air Solutions

Rocky Mountain Air Solutions (formerly US Welding) provides specialty, medical and industrial atmospheric gases, regulators and gas delivery equipment. We focus on our customers in every part of our business. We believe that exceptional customer service should be the expectation. For more information visit [rockymountainair.com](http://rockymountainair.com).
